

Why not visit Dumfries this January?

Dumfries & Galloway Carnival returns from 29 - 31 January 2027, bringing three days of light, music and celebration to the town.

At the heart of the weekend is Rabbie's Winter Village, open from 10am - 11pm each day, alongside stunning light shows, live music, talks, markets and plenty to explore across Dumfries - and it's all entirely free.

Highlights include the return of the award-winning Burns Light, illuminating Dumfries Mausoleum, alongside the world premiere of Rave Experience, a new immersive experience combining projection, film, animation, music and spatial sound.

So why not make a weekend of it, explore Dumfries and join us for Carnival?
